

C320BC

In parts of India the division
of time was the gharree.

1 gharree = 24 ghar minutes

60 gharree = 1 day.

= 1,440 min.

Founding of empire of ~~MA~~ MAGADHA
in India

320 BC

The census (Rome) put the population
at 250,000 persons

C 320 BC

At KYRENIA, Cyprus (it sank)

Back in days of Alexander the Great,
off the coast of Cyprus the ship had
taken on cargo - almonds and
long-necked jars of wine.

This merchantmen settled 90 ft
to Bottom of the Mediterranean

By Aug 1969 all her cargo had
been raised.

In 1969 it was raised & the planks

were preserved with polyethylene glycol
47% long x $14\frac{1}{2}$ across. One pair

4 & 5 knots

coldest light ever raised & reflected
Dial returning zero. Had had from
forward that full with thousands
of copper marks.
